Reporting Bullying Concerns – Parent Guide

A simple 3 step guide to help you support your child

1 TALK TO YOUR CHILD

- Listen carefully and take what they say seriously.
- Reassure them and let them know they are not to blame.
- Encourage them to tell a trusted adult in school.

You're doing the right thing by speaking up.

2 REPORT THE CONCERN

- You (or your child) can report bullying behaviour to any teacher.
- You can do this by speaking in person, by phone or by email.
- Share as much information as possible, including what happened, and if known, where and when it took place.

There are many ways to reach out.

3 STAY IN TOUCH

- If you have reported a concern, the school will keep you informed.
- Let us know if there are any further concerns.
- Continue to encourage your child to speak up if needed.

Working together for a safer, happier school.
